How to Use

- 1 Give each child/student a copy of the page you want them to complete.
- 2 Keep a copy for yourself.
- 3 Have the children/students select the colors they will need, before starting.
- 4 You can have the children read the directions themselves, **or**
- 5 Have them fold their page in half, and you can read the directions to them.
- 6 Have the children color the pages as they follow the directions.

Thank you for downloading Following Directions Freebie

Thank you for supporting my store. As a practicing Speech and Language Pathologist, I know how valuable your time is, and how limited resources can be. I also know that finding fun materials that multiple children enjoy, can be a challenge. I hope your students/clients enjoy this product, and that you find it helpful. I would love to hear your feedback on how you used/enjoyed this product, as well as any of my other products. Suggestions to help me improve, or create new products you can't live without, are always appreciated. Leave feedback at my store, and you can earn TPT credit towards future purchases.
