

Contact Information

The Carman-Ainsworth Band & Orchestra programs switched to a new web-based system, *CHARMS*, over the summer. The new system will allow us to better track school inventory (music, instruments, uniforms, etc.), share performance/events calendars, provide you with classroom handouts, allow volunteers to sign up for events, and send out quick notifications (email, text messages, etc.) of changes or upcoming events. You will be able to have access to most information given to your students directly at your fingertips. We are very excited about the new system and the ease of communication it will allow. You will receive a welcome email from your band director once you have been entered into the *CHARMS* system providing you with more information.

In order to ensure you receive the notifications, it is very important we have the most accurate contact information for both students and parents/guardians. Please fill out the form below and return it by Friday, September 6.
