

2023-2024 Calendar

The figure displays 16 monthly calendars arranged in a 4x4 grid, labeled with numbers 0 through 22 in the top right corner of each calendar. Each calendar shows the days of the week (M, T, W, TH, F) and the dates (1-31). The calendars are color-coded: blue for regular workdays, yellow for holidays, and black for non-workdays.

- Calendar 0 (July):** Shows a black block covering the first 10 days and the last 10 days. The middle 10 days (11-20) are white.
- Calendar 15 (August):** Shows a black block covering the first 10 days. The middle 10 days (11-20) are white. The last 10 days (21-31) are white.
